In consideration of the benefits to be derived and after carefully considering the risk involved, and in view of the fact that the Boy Scouts of America is an organization in which membership is voluntary, and having full confidence that precautions have been taken to ensure the safety and well-being of my son, I have given my son, _____ (NAME) my consent to participate in the cycling merit badge program.

In case of emergency, I understand every effort will be made to contact me. In the event I cannot be reached, I hereby give my permission to the physician selected by the adult leaders in charge of the trip to secure proper treatment, including hospitalization, diagnostic testing, anesthesia, surgery, or medications for my child.
